

Fall Yard & Garden Shopping List

What You Need for Winter Prep and a Better Spring

Before you shop, note your lawn size, grass type and local growing conditions. Products and timing can vary by climate.

Get Your Yard Ready for Winter

Find the right products for your yard and region, tools and expert advice you need at your neighborhood Rocky's Ace Hardware. Visit the Project Center at rockys.com for our Fall Yard & Garden Guide, which breaks down the smart steps to take now that can help protect your lawn and garden through winter and give you a better start next spring.

Product selection varies by store.
Follow product label directions, local lawn and garden recommendations and equipment manufacturer instructions.

Before You Shop

Lawn size: _____

Grass type: _____

Garden beds to prep: _____
