

Scarecrow Shopping List

Build it. Stuff it. Make it your own.

Bring this list to your local Rocky's Ace Hardware and gather what you need to build a classic fall scarecrow.

Build the Frame

- ☐ 1 sturdy wood board or stake, about 6 ft. long
- ☐ 1 wood board, about 3-4 ft. long
- ☐ Exterior wood screws
- ☐ Heavy-duty twine or zip ties

Stuff and Decorate

- ☐ Straw
- ☐ Burlap sack or similar material for the head
- ☐ Work gloves for hands
- ☐ Permanent marker or outdoor-safe paint
- ☐ Additional twine or ties as needed

Tools

- ☐ Tape measure
- ☐ Pencil
- ☐ Drill/driver and appropriate bit
- ☐ Saw, if wood needs to be cut
- ☐ Safety glasses
- ☐ Work gloves

For a Porch Display

- ☐ 5-gal. bucket or sturdy outdoor planter
- ☐ Sand or gravel for weight

Grab from Home

- ☐ Old long-sleeve shirt or flannel
- ☐ Old jeans or overalls
- ☐ Hat
- ☐ Bandana or fabric scraps
- ☐ Other decorations to make your scarecrow your own

Ready to DIY?
