What We Offer

Interior Paint

Search through hundreds of shades from top brands such as Benjamin Moore and Clark + Kensington to find the colors you need. We offer a number of sheens such as flat, eggshell, satin, semi- and high-gloss to get you the right look on your walls, trim, and ceilings.

Exterior Paint

When you're dealing with changing weather conditions, you want a paint that can withstand them all. We offer durable paint in flat, low luster, and semi-gloss sheens to freshen up the outside of any building.

Stain

Choose from a variety of oil modified (VOC Compliant) and water based stains and finishes for your decks, fences, and other wood projects. Our stains, from brands such as Cabot, are made durable to last in outdoor climates with options that don't require a primer.

Sundries

We offer five gallon buckets, spray equipment & accessories, and all of the painting sundries you need to get the job done.

For Your Business

Take advantage of our PRO Pricing Program, we'll quote you the paint and tools you need before you buy to get you the right equipment at the right price. Once you place your order, we'll deliver it right to the job site. We can even set you up with a House Charge Account for quick ordering.

Have a large job? We'll quote you special pricing. When you need it, we can deliver your order right to the job site for free.

A Legacy of Paint

Rocky's Ace Hardware has specialized in paint since 1926. In fact, we were founded on the idea of being the paint experts. That's why we have trained Paint Advisers in every location. So when you step into a Rocky's store, you know you are getting the best experience.

Bring in paint swatches or color samples and we will create a custom tint to match. If you or your client are unsure, try our low-cost samples to help find the right fit.
