What We Offer

Paint Studio

When you need to repaint or touch-up a room or building, we have certified Paint Specialists to help you find the right color. Bring in your color samples and we can match just about any tint with top brands such as Benjamin Moore and Clark + Kensington. Try a sample pint or buy the whole gallon along with the brushes and sundries to get the job done.

Cleaning

Cleaning your properties has never been easier. We stock soap, polish, and detergent as well as mops and brooms for daily indoor cleaning. Pressure washers are also available to keep your properties well maintained. If you need deep clean, we also rent out deep cleaning machines for carpets and upholstery. Keep your business safe with our disinfectants and sprayers for easy sanitation and virus removal.

Landscaping

Keep your properties well maintained with everything from lawn mowers and hedge trimmers to shovels and pruners. Make your lawn look its best with our mulch, fertilizers, and weed killers. For seasonal maintenance, come to us for shovels, ice melt, and snow and leaf blowers.

When your equipment wears down or breaks, Rocky's your full service center for parts and Certified Stihl and EGO repairs.

Tools

Getting things done has never been easier than with our always expanding selection of power tools. Our shelves are well stocked with drills, saws, sanders, and more. Purchase our tool kits complete with batteries and a convenient carrying case to save money on the tools you need.

We continue to provide our customers with the top hand tools including hammers, pliers, screwdrivers, and everything else you need for your day-to-day repairs.

Hardware

Hardware is our specialty. We have aisles dedicated to nuts and bolts providing you with an abundance of sizes whenever you need spare parts. We also carry door knobs, brackets, signs, and accessories. Looking for a hard-to-find item? Check out our vast selection of specialty hardware and you are sure to find it.

Key Cutting

Whether you need additional spare keys for your tenants or need to change locks, we can help. Select from a large selection of keys and our machines will cut them while you shop. We also carry a selection of deadbolts and electronic keypads for keyless entry.

Plumbing

Hoses, valves, and pipes, we have you covered for all of your plumbing needs. We can provide you with regular maintenance tools and replacement parts for broken disposals, pumps, and faucets. We can even special order parts when you need to make larger replacements such as with showers, bath tubs, water heaters, and toilets.

Safety

Protect your properties with our safety supplies. Our fire prevention tools are top notch including smoke alarms and fire extinguishers from First Alert.

For personal safety, shop our stock of gloves, vests, goggles, and masks to keep you and your employees safe while completing potentially hazardous tasks.

Heating and Cooling

Come to us when you need HVAC supplies. We carry everything from radiator valves to fan and limit controls including filters, connectors, and the tools used to connect them. We also supply thermostats, AC Units, and exhaust fans allowing for year-round comfort for your tenants.

Electrical and Lighting

Take care of all of your electrical needs with us. From circuit breakers and wires to light bulbs and dimmer switches, we have all you need. We also carry the tools necessary for diagnostics and installation including GFCI, and Voltage testers as well as multimeters and wire strippers. Visit us for the top brands in switchgear and for access to a large catalog of basic light fixtures. Whether you need supplies for repeat projects or electrical emergencies, we have your back.
